Guh! Why bring that up now?

Oh, come on now Samantha, it is not like I am able to tell him, is it? Not that I would want do that anyhow.

Well, yeah, I do, but I don't want to spoil our friendship do I?

No, but Michael is far too sensible to let things get spoilt between you, give things a chance.

I can't, I wouldn't know what to say anyway...

Tell him how you feel, What harm can it do?

I don't know...

Let us go into the valley, we can talk about it there.
